Come Plant Bulbs With Us!

Here's an activity you won't want to miss...planting spring-blooming bulbs in terracotta pots with fellow gardening enthusiasts! Potting up bulbs and corms with the promise of spring surprises will ease the winter blahs as you look forward to colorful blooms up close and personal on your deck, porch or patio. We'll provide the bulbs,

potting mix and terracotta pots. You bring your favorite trowel. You can also bring a favorite pot of your own if you like (1 gal. max), and any bulbs you'd like to add or share with others.

We might also experiment with lasagna planting so you can look forward to a longer bloom period. See you soon!
