Members of ' **The Gardeners' Club** ' are proudly donating a "Book Stipend of \$200 this year to the Cabrillo Horticulture Department for the purchase of additional reference books in the Horticulture Library. The books are to be selected by the instructional staff.

The donation is made in honor of **Virginia Saso**. An inscription is to be placed within each book reading, "Presented In **Honor of Virginia Saso by The Gardeners' Club**." This honorarium will be continued in future years as a way of promoting gardening while supporting the teachers and aiding the **horticulture** students of Cabrillo College.

Sincerely,

The Gardeners' Club
